

International Ventures Announces Recertification as a Woman-Owned Small Business

Poland, OH – March 18, 2024 – International Ventures proudly announces national recertification as a **Woman Owned Small Business (WOSB)** by the **Women’s Business Enterprise National Council (WBENC)**. This re-certification, along with the Women Business Enterprise (WBE) certification, demonstrates the company’s commitment to promoting diversity within the metal building industry. These certifications are the gold standard for women-owned business in the United States.

“We’re pleased to receive the National Women’s Business Enterprise Certification,” said Allison Kern, VP of International Ventures. “The WBENC Certification reinforces our commitment to clients to help them achieve their diversity, equity, and inclusion initiatives while we continue to provide the highest levels of service.”

WBENC is the largest certifier of women’s business enterprises in the U.S. By including women-owned businesses among their suppliers, corporations and government agencies demonstrate their commitment to the continued development of their supplier diversity programs, which in turn empowers women leaders to foster a more diverse, balanced and sustainable economy.
